Please be mindful of this change and have consideration for your friends who are writing midterms on those Saturdays.

The Academic Drop-in Centres in Mountain Hall, East Residences, and Lennox Room 285 will be open **Monday to Thursday, from 7:00-9:00 pm**. each week, and staffed by Academic Leaders. In many cases, the ADCs will also be open on the Friday evenings before these Saturday midterms.

## October Programming Activities

Thanksgiving break is behind us. Congratulations on making it through the first 6 weeks of the Fall Semester! If this is your first year of university (as it is for many of you), you get double the congratulations for navigating your transition thus far. It is our wish as a Residence Life team that you are starting to feel at home here in Residence with us and, should you need anything to help you in your transition, that you reach out to a staff member who is there to help and support you.

If there is a vacancy in your room, it could be filled at any time. Please ensure that the unoccupied section of the room remains unoccupied and available for a new resident. We are moving students to accommodate transfer requests into other rooms (possibly yours), and this will happen without advance notice. So please don't leave your belongings on "their" desk, bed, etc. -- they'll appreciate it!

## Restricted Areas

Residents are not permitted in restricted or unauthorized areas. For example, students who are found on, or attempt to access, restricted areas such as a roof of residence, restricted balconies or window

ledges, or attics, may be evicted.
