move-in day for new students is **saturday, sept 1**

where **campus** comes to **life**

Moving into residence is an exciting and important day for new students.

You will be assigned a specific timeslot for your move-in. Check your MyHousing account for your assigned move-in time.

We want you to be prepared so that you can have a great experience coming to the University of Guelph. This booklet is intended to guide you through the process!
Welcome to our residence community!

You have made a wonderful choice to live on campus. The first year experience can be a challenging one as you move from the familiar setting of home and the support of family and friends, to the “uncharted” territory of university living and studies. Our Student Housing Services staff is excited to meet you and to help you get comfortable both socially and academically!

Living in residence means that you will have plenty of opportunities to get involved in residence and campus activities. You will be among the 4,000 other first year students living and learning with us. With so many people expecting to have the time of their lives it is important that Student Housing Services provides some structure to the experience in the form of our Residence Community Living Standards, an addendum to the Residence Contract you signed upon applying to residence. Each resident student is expected to read and become familiar with these expectations as they become the framework of living together successfully.

Living in residence and the first year experience is all about new experiences. I hope that you take the opportunity to challenge yourself. Student Housing Services will be there to ensure a safe, secure and fun environment!

Director, Student Housing Services
before you arrive

plan ahead for a smoother move-in...

Packing up to move into residence will take some planning. We don’t want you to arrive and discover you have missed something really important. The list provided is meant to be a general guide to the basics you will need. Remember, if you are planning to go home throughout the semester, you can leave your winter jacket and boots for another day. If you are coming from further away, you may need to bring a wider range of items for the whole semester.

Use containers that can be carried by one person.
Our amazing Orientation Volunteers (OVs) will help you as much as they can, but they can’t do heavy lifting.

Are you insured?
Most homeowner insurance policies cover your belongings while away at university, but it is best to check with your insurance provider. We are responsible for university property, and you are responsible for your personal contents.

MOVE-IN TIP
Label all boxes or packing containers with your last name, hall and room number.
when can I move-in?

We encourage you to try your best and arrive during your **assigned move-in** timeslot. This helps us manage traffic flow throughout the day on Saturday, September 1st, 2018. Your assigned timeslot will be posted to your MyHousing account.

Depending on where you live, you may be assigned a Move-in timeslot on **Friday, August 31st.** You will receive an email invitation if you are invited to move-in a day early. After September 1st, the move-in time slots do not apply. You can pick up your keys at your Service Desk.

**Your move-in time slot can be found on your MyHousing page.** It is a two-hour window and you can arrive anytime within that period. If you are not able to arrive during your assigned time, or you are running late, it’s okay; you don’t need to let us know and you won’t be prevented from checking in and getting your keys.

what’s an OV?

**An OV (oh-vee) is an ORIENTATION VOLUNTEER!**
These awesome students are here to help make your orientation experience as smooth and welcoming as possible. You will recognize an OV by their bright and fashionable **gold t-shirts.**

When you arrive on campus, an OV will help you find your way, unload your belongings and coordinate some fun activities.

Be on the lookout for **red vests** with “RLS” on the back. These amazing folks are our student **RESIDENCE LIFE STAFF.** These are upper-year students who will live in residence with you all year and assist you with your transition to university life! They will be around all orientation week to help you with the move-in process.
Of course! Our amazing OVs are here to help! When you arrive, they will greet you at your car and help you to get started. Typically, it goes like this: While you go check-in and retrieve your keys in your building, your family will start emptying the car with help from our OVs.

Please be aware that OVs are here to help, but they are not able to do all the heavy lifting for you. **Large and heavy items (such as mini-fridges) are your responsibility.** Carts are available, but it is a good idea to bring one of your own if you have one.

Once your car is empty, please move it to a parking lot as quickly as possible so that we can accommodate other cars in queue.

“O-Week” is a popular nickname we use for Orientation Week; it consists of 5 action-packed days of welcoming you to residence and to the University of Guelph.

The first activity to kick-off your O-Week experience is your community meeting in residence. Your Residence Assistant [RA] will introduce you to your new community. **It is very important that you attend your first floor or tower meeting during O-Week.**

When you wake up Sunday morning, O-Week activities will officially be in full swing!

**MORE INFORMATION ABOUT THE ORIENTATION WEEK SCHEDULE**

SAYING GOOD-BYE
It’s not good-bye, but hello! This new chapter in your life will have some ups and downs, but we are here to help.

It is perfectly normal to experience a range of emotions during O-Week...you might feel energetic, exhausted, homesick, lost, found, confident, depressed, lonely, overwhelmed, ecstatic - all in the span of 5 days!

Have no fear; our Residence Assistants and professional Residence Life Managers are trained and ready to help you with your transition to university life.
Once classes begin, your life in residence will start to settle into a normal routine of classes, meals, recreational activities and social time. By this time, you will have decorated and personalized your room to your tastes and developed new friendships on your floor and within your community.
We are here to help you adjust to your new life as a Gryphon. You are never alone -- many students think they are the only ones who feel homesick or anxious. But we have Residence Life Staff who are trained to make your residence experience a positive one!

I’m overwhelmed...
Talk to your RA or your A[RLM] about your feelings, they can direct you to campus resources.

I’m not getting along with my roommate...
Talk to your RA, who can initiate mediation or a roommate agreement, or advise on further steps.

I’m sick...
Visit Student Health Services, located in the the JT Powell Building, adjacent to the Athletic Centre.

I’m bored...
There are many campus activities, clubs, intramurals, and volunteer opportunities. Check your residence bulletin boards.

I can’t sleep...
If noise is the cause, call your Service Desk. If anxiety, stress, or homesickness is the root of the problem, visit Counselling Services, located on the third floor of the University Centre.
what is an RA, RLM, RLS, IHC?

Don’t you love acronyms? All of these are good ones! Here’s a quick glossary:

**RLS** = Residence Life Staff
RLS wear red vests when they are on duty. This is the generic name we give to all members of our student staff team. An RLS team member might be an RA, a CLF, a CL or a PF.

**RLM** = Residence Life Manager or ARLM (South Residence)
Your RLM is a full-time residence life professional responsible for the supervision of the RLS team. They care about your well-being!

**RA** = Residence Assistant
RAs are senior students who live in your community with you. They are trained to help you successfully transition to campus life, mediate conflicts, guide you to campus resources and to help maintain community standards.

**CL** = Cluster Leader
If you live in an academic cluster, you will have a Cluster Leader assigned. They are responsible for hosting activities and study sessions related to your academic program.

**PF** = Program Facilitator
If you live in a Living Learning Centre (LLC), you will have a Program Facilitator who organizes events and enriches your residence experience through targeted programming.

**IHC** - Interhall Council
Interhall representatives are your elected residence student government. They act in an advisory capacity to Student Housing Services and they have a lot of fun planning events and activities to boost community and residence spirit!
Although we do our best to match you with roommates and suitemates that are compatible with you and the personal profile you submitted on your application, we know that sometimes it just doesn’t click.

After moving in, if you want to transfer residence locations, first let’s work together...

- Talk to your RA about your concern
- Try to work towards a win-win solution
- Your RA may refer you to your RLM for additional assistance
- If we cannot resolve your concern, fill out a Room Transfer Form
- Room or building transfers are possible only when a vacancy exists that meets your request
- Transfer requests are prioritized according to highest priority need first (such as accessibility)
community standards

yes, we have rules!

Student Housing’s Residence Living Community Standards were developed with one goal in mind: for all students to enjoy their right to security, personal well-being and the pursuit of academic success while living in residence. Living in residence requires that we all agree and adhere to the Residence Community Living Standards.

Download a copy of the Residence Community Living Standards.
