

Assistant Residence Life Manager (ARLM) 2017-2018

Name: Erin McKay

Why did you choose to become an ARLM?

I felt as if the ARLM role would be the right fit for me as I knew about the innovative initiatives that were taking place at Guelph. I was also aware of the focus that this position places upon preparing ARLMs for a future in student affairs. I was (and still am) looking to learn as much as possible about improving the student experience! I also was really drawn to the collaborative nature of the role.

What do you love best about your role?

I love getting to meet with and chat with students about their own residence experience. I very much enjoy working with a motivated and enthusiastic group of student-staff. I also love being able to coach my staff to reach their goals of creating strong communities.
