

Fire Safety Assignment

Learning Outcomes

The purpose of this assignment is to encourage you to:

- Reflect on the importance of Fire Safety
- Understand the role you play in promoting Fire Safety within your community

Instructions

In this assignment, you will be engaging with a variety of media sources covering fire related incidents. To promote your understanding of fire safety, you will have the opportunity to answer a variety of questions based on this media. To complete this assignment, you will require access to the internet. As you work, feel free to explore beyond the sources that have been provided and create an educational experience that will meet your individual interests. If you happen to find any interesting links that were not mentioned here, please share them at the end of the assignment.

Part 1: Know Fire!

Check out the knowfire.ca website: www.knowfire.ca.

1. What did you learn from reviewing the resources listed?
2. How does this apply to fire safety in residence?

Part 2: Fire Prevention at the University of Guelph

1. Go to <https://www.uoguelph.ca/fire/campus-fire-safety/residence>. What are **five** things that you can do to promote fire safety in residence?
2. Go to <https://www.uoguelph.ca/fire/campus-fire-safety/what-do-if-you-discover-fire>. What are the seven steps you should follow if you discover a fire? Also, when is it safe to reenter a building after a fire alarm?

Part 3: Final Thoughts

- Describe the impact that this assignment has had on your views on fire safety and residence rules regarding fire violations. If it has not had an impact on you, describe why not.
- Based on what you learned during this assignment, what information regarding fire safety would you pass on to other students?

- On your own, search for interesting links discussing fire safety, either in general or in a residence setting. Please share one link and discuss why you have selected it.

Requirements:

- Typed, double spaced, minimum of 500 words in Word Document format
OR
- 3-4 Minute Video Submission
